

Spectator Information

We have arranged with the Army and Farmers to have access to Leighton Hill. This will be the only Spectator Point.

The Cars will pass twice in one direction and later twice in the other direction. Please follow the Marshals instructions, park sensibly and keep the access road clear in case of an emergency.

DO NOT attempt to enter the Ranges from other points. Marshals and Security will be on duty to prevent access.

PLEASE do not cause any problems that could result in us being unable to use these roads again.

Thank you.
